Dear Parents and Carers,

Toilets

We are writing to inform you of changes to our approach when multiple students go into single toilets together. This is partly in response to some recent damage to our toilets and concerns over student safety.

All toilets at CPA are for single occupancy use and are available to all staff, students and visitors to site. Our aim is to ensure that all our facilities are kept in good condition throughout the day and that these spaces are not being used by students inappropriately. We suspect that some students are entering toilets together to try to circumvent our rules over mobile phones and vapes which have changed this year in line with government policy. Therefore, we are taking this very seriously.

Students entering toilets together will be suspended for unsafe behaviour.

We ask for your support in reinforcing this policy at home and discussing with your child the importance of following our school's expectations.

Thank you for your continued support and cooperation.

Yours sincerely,

Sara Devo
Headteacher
