

Every CPA student will experience:

- An aspirational and targeted approach to their learning, demanding the best out of each student
- Access to high quality teaching delivered in small groups with qualified, skilled professionals providing accelerated literacy and numeracy to narrow the gaps
- Use of a purpose built building designed with our young people in mind
- Outdoor Education Programme and a Commitment to Learning Outside the Classroom
- One to one support when needed, targeting the core reasons for lack of engagement in the past
- An Individual Pupil Passport that shows clearly individual targets, support plans and progress
- An assigned Learning Coach and qualified form teacher to provide coaching and to build self esteem, care, respect and individual attention.
