Christmas**

Christmas at the CPA 2021

Our school is delighted to celebrate Christmas together this year!

To all of our families,

We have all had a really difficult couple of years but after some testing times we are very happy to be able to celebrate Christmas together.

Our school really is a close knit family, and you are all part of it.

If you are struggling this Christmas please give the school a ring, it will be confidential and if we can help we will.

School will be taking education and fun very seriously over the next few weeks, so please support us in making the run up to Christmas- as **kind, exciting, interesting and educational as possible.**

We really do appreciate all of your support.

Mock Exams- Hip Hip Hooray!

Mon 29th Nov- Thur 2nd Dec

Calling all Year 11's... It is now time to practice taking your exams. Don't worry and take this opportunity to have a trial run at GCSEs.

Staff are here to help.

Skills days

9th and 10th December

Get ready to put your thinking caps on, to work as a team and to complete some fantastic challenges, in school and on the move.

The winning team will not only have learnt some fantastic new skills for life but could win a £10 voucher each to help you have a wonderful break.

"The best way to make children good is to make them happy"
Oscar Wilde

Over the next few weeks there will be a number of opportunities for pupils and staff to raise money for charity.

Our charity this year is **Papyrus**, the charity for the **prevention of teenage suicide**.

Any ideas for raising money will be gladly accepted.

Please remember the existence of the **Student Help button** on our website that will operate over the holidays and contact one of the Senior Leadership Team by email if any of our students feel that they need extra help.

It is a time to remember **our Dom** who died last year at Christmas time, he was an important part of the CPA family and **a wonderful young man who we will never forget**.
