Wednesday 17th January 2024

Dear Parents, Carers and Young People,

We are asking for your support on the following;

As of the 22nd January 2024 any disposable vape pens found on a student that exceed 600 puffs, containing more than 2ml of liquid or are above 2% nicotine content will not be returned to students.

They will be destroyed.

These vapes are illegal and are not regulated, which means they could contain dangerous levels of nicotine or other dangerous chemicals.

The ContinU Plus Academy really wants our young people to be safe and well. Call us if you need further advice and we will be happy to have a chat.

Best wishes

Sara Devo and the team at the CPA
