Dear Parents/Carers,

Please be aware that there has been a man presenting himself at our school gate this morning handing out messages relating to mental health.

We believe that this individual poses a level of threat and concern to our community and have ensured our site has extra security today. We also believe this man is attending properties in the area at random times and asking families if they have children.

The police have been informed but I would ask you to be extra vigilant over the long weekend and speak to your child regarding their personal safety and strangers.

Please report any suspicious activity to the police who are investigating this individual at present.

Safeguarding our pupils is paramount at the CPA and thank you for your ongoing support.

Best wishes

Sara Devo
