Please contact us if you are struggling financially at this time of year as we can help a little with food etc, or put you in touch with agencies that can.

**Finally.....**

Around our school we have a variety of brightly coloured benches etc, some of which have plaques to remember important people that have attended our school, one of which being our old behaviour lead Luke Parrock, who left in the summer but who is alive and kicking in mainstream.

Pupils have recently asked if they can have benches with plaques dedicated to them or their family in a colour of their choice.

The cost of the benches we use are £90 from B&Q.

As part of a fundraising programme of school improvement we are happy for families, pupils, and businesses to sponsor/donate funds for a bench for our school, enabling our pupils to directly improve the look and provision at the front and rear of the CPA.

Contact the office if you need any more information on anything here, or if you just fancy a chat.

Best wishes,

**Sara and the CPA Team**
