Tuesday 5<sup>th</sup> November 2024

Dear Parent/Carers & Pupils,

I am writing to inform you of an update to our school policy on mobile phones. This change is intended to support a focused and positive learning environment for all our students.

All students are expected to hand in their mobile phones upon arrival, where they will be securely stored and returned at the end of the day. Going forward, students will not be able to check their phones during school hours by requesting them from the office. This adjustment helps minimise disruptions, allowing students to fully engage with their learning throughout the day.

We appreciate your ongoing support in reinforcing this policy with your child. If you need to get in touch with your child during school hours, please contact the school directly.

If for any reason (be it medical, personal or known family emergency) your child needs to access their phone please contact the school office directly to explain the particular circumstances. Decisions will be made by the school's leadership team on a case by case basis and this will be communicated directly to yourself as parent/carer.

Yours faithfully,

Sara Devo  
Headteacher
