Dear Parents/Carers

It has come to our attention that there are Tik Tok, Snapchat and other social media accounts being made about our school, and students. These are being shared and commented on by other pupils. Please can we be vigilant about the use of social media as it can cause harm to others.

Please discuss this with your child, and reiterate the school's message that any student using social media in an inappropriate way such as, sharing, commenting, or creating accounts could lead to police involvement.

I would like to thank you as always for your cooperation and please do not hesitate to contact the school office with any queries you may have.

Yours sincerely

Sara Devo
